

i-Scholar
INITIATIVE

Identify and prepare
deserving, self-driven
young African Scholars
for advanced/graduate level opportunities
in select countries.

WHO we are.

i-Scholar Initiative (iSI) is a nonprofit organization that identifies and prepares deserving, self-driven young African Scholars for advanced/graduate level opportunities in select countries.

We are governed by a team of exceptional and accomplished leaders who serve on pro bono basis.

WHAT do we do?

- . Talent identification and selection
- . International graduate admission assistance
- . Strategic end to end mentorship program
- . Career orientation and workshops
- . Building scholars to become change agents for the benefit of the society

6415 Pinewood Heights Drive, Spring, TX 77389, USA

WHY do we do these?

- . To give back
- . To provide a platform for volunteers who are interested in impacting the younger generation
- . To transform scholars into change agents
